

## 2018 Rosé of Grenache

Mendocino County

### Winemaker Notes:

Our McNab Ridge Grenache Rosé has alluring floral aromas of violet and rose, as well as honeydew melon, strawberry and clove. This follows through to the palate where you will also find flavors of red fruits, mild ginger, and candied Meyer lemon peel. It has a lovely, dry and slightly spicy finish. Pair with your favorite light fish dish, a bountiful green salad or just the sunshine on your face. A delightful Spring and Summertime wine!
