

McNab Ridge Chardonnay

Mendocino County

2023

Winemaker Notes: The 2023 vintage went through 100% malolactic fermentation which produced this lovely textured wine. Aromas of tropical fruits, vanilla and caramel jump out of the glass. Flavors of crème brûlée, toasted marshmallow and lemon shortbread come across on the palate which finishes clean due to the balanced acidity. The slight hint of toasty oak will compliment your favorite roasted chicken, pork or seafood dish.
