Pesca Dolce

“Sweet Peach” in Italian

100% Muscat Canelli from the Ruddick Ranch, this vineyard is in the Talmage Region which is on the eastern side of the Ukiah Valley. The Muscat Canelli is touched with a little kiss of natural peach flavor and Sweet Peaches are what will come to your mind when sipping on this refreshing and delicate wine. It is very aromatic with flavors of a juicy peach fruit salad. Pair with your favorite spicy fruit salsa & chips or just enjoy with the summer sun on your face.

Rich Parducci, owner & winemaker of McNab Ridge Winery came up with the idea for this wine at our last (pre-covid) Wine Club Harvest Party. Several guests had asked if there was going to be a sweet white wine coming soon as we are known for our sweet red wine, Carisma. Rich decided it would be a peach Moscato and Pesca Dolce (sweet peach) would be the name for this fun and whimsical wine.

We hope you enjoy this small production wine! Only 228 cases were made.
